### PROFILE

Marketing manager for B2B SaaS and AI products, owning brand, demand generation and content. Builds full-funnel campaigns that turn a technical story into pipeline, and works closely with sales and product to position the company in a crowded market.

### PROFESSIONAL EXPERIENCE

#### Marketing Manager

2023 – Present

Mona AI · Saarbrücken, DE

- Own end-to-end marketing strategy — positioning, content, events and demand generation.
- Built the company's content engine and grew inbound qualified leads quarter over quarter.
- Partner with sales on messaging, collateral and campaign-driven pipeline targets.
- Manage the marketing budget, agency relationships and the brand across web and social.

#### Growth Marketing Lead

2019 – 2023

Lumea Software · Munich, DE

- Led paid, SEO and lifecycle marketing for a B2B SaaS product across DACH.
- Scaled a marketing-qualified-lead program and reduced cost per lead through channel testing.

#### Marketing Specialist

2016 – 2019

Brightfield Agency · Stuttgart, DE

- Ran multi-channel campaigns for technology and industrial clients.

### EDUCATION

#### M.A. Marketing & Communications

LMU Munich · 2014 – 2016

#### B.A. Business Administration

University of Mannheim · 2011 – 2014
